

The Postman Game

| | |
|-------------------|---|
| Event: | Various |
| Theme: | Can be adapted for any theme |
| Preparation Time: | 15-20 minutes |
| Running Time: | 20-30 minutes |
| Materials: | Paper (The Letters) Marker pens, adhesive labels etc. (The Stamps) A suitable container (The Postbox) |
| Preparation: | The paper is cut to the desired sized, e.g. business card to DL envelope, and is given to a volunteer. The marker pen or adhesive labels are given to another volunteer. The Postbox can be kept at base, or can be given to another volunteer. |
| Playing The Game: | Players in the team need to find the volunteers in order, first collecting the Letter, getting it Stamped, and then deliver it to the Postbox. Points are awarded for each letter successfully delivered. |
| Notes: | Obviously, this game has numerous permutations, and can be adapted to almost any theme, e.g. Passports and Country Stamps, and your volunteers can swap roles if they wish. |
